Re: Professional Services Annual Request for Qualifications
RFQ No. EPS090085

Dear Mr. Ellwanger:

Gould Evans is pleased so submit our qualifications for future projects with the State of Arizona ADOA. Our firm has a previous working relationship with the ADOA from our work together on the Civil & Adolescent Behavioral Health Facility at Arizona State Hospital, a very successful project of which we are very proud.

Our firm has spent the last five years since the completion of that project focusing on work in the public sector. We have worked for the City of Phoenix, the City of Tempe, Maricopa County, ASU, UA, NAU, MCCCD, and various other public entities. We hope to work for the ADOA again soon.

Sincerely,

Trudi Hummel, AIA, LEED AP
